Following required documents are attached.

1. Attested photocopy of Form-VII (Seven).
2. Attested photocopy of CNIC.
3. Profile of Organization

I have carefully read the following methodology for establishment of Tunnel Cultivation Plots/Technology and its criteria and ensure my agreement and the same is signed by me.

- i. I/Organization will bear Land cost / rent / abiana / usher / tax of agreed Land for Tunnel.
- ii. I/Organization shall provide Labour input charges for agronomic operations viz: Seed bed preparation, sowing, fertilizer application, irrigation, weeding, harvesting & threshing and also to bear the maintenance expenses, as agreed the initial material cost and installation charges will be borne by the project.
- iii. I/Organization shall agree to allow conducting field days for the visit of members from other WCAs.
- iv. I/Organization shall agree that the agriculture Land is on improved watercourse or on watercourse under improvement in project area.
- v. I/Organization shall agree that the agriculture land will be easy accessible for visit of members of other WCAs.

- vi. I/Organization not availed any such facility from the Provincial / Federal institution.
- vii. I/Organization are owner, tenant, lessee or self cultivator of not more than 25 Acres of land.
- viii. I/Organization not a defaulter of any revenue / financial institution.
- ix. I/Organization undertake that in balloting if my name is not declared successful it will not be challenged in any court of law.
- x. I/Organization undertake to install the Tunnel Technology structure as per approved size and design from the Bidder/firm whichever is awarded contract for this purpose by DG AE&WM.
- xi. I/Organization will not sale or transfer or hand over possession of the Tunnel Cultivation Demonstration Plots/ Technology to any other person.
- xii. I/Organization will abide by the decisions of the Departmental Allotment Committee and will not challenge them in any court of law.
- xiii. I/Organization Keep record of Tunnel Cultivation Demonstration Plots in the reported period and will provide the details to Department time to time.
- xiv. I/Organization will bear full operational and maintenance cost and Agriculture Department or private sector workshop where available will provide repair and maintenance services to the organization on usual payment.
- xv. After selection, I/organization will inform the willingness within the stipulated time fixed by Department, in case of delay the Department may chose the other applicant from the waiting list.

My application may kindly include in the balloting and would appreciate the intimation in case of successfulness.

Thanks,  
with best regards.
